A portion of the proceeds will be donated to FAME-Foundation for the Advancement of Music & Education to support programs to keep live quality music in our schools.

FAME is a tax-exempt nonprofit organization whose mission is to positively impact the lives of youth through access to quality music, education, programs, and experiences. Its goals are to increase student's enthusiasm for learning, improve academic achievement, reduce the dropout rate of at-risk and low income youth and provide exposure outside community walls.

FAME believes that Science Technology Engineering and Math (STEM) with the Arts create STEAM.
